For class discussion, please read one economics article of choice, preferably relating to the material, for each class. If you cannot find one that exactly matches the topic discussed in class, please bring one that is of interest to you.

Sources for articles can be found at www.blueplanetx.com (go to world news link)

Grade 100% = TESTS 1, 2, 3, 4

A test can only be made up with instructor approval (instructor must be notified before the initial test date) and with appropriate documentation. In case of a makeup, the student must email the instructor the day before the makeup date to make sure the test will be available.

Class attendance is mandatory. Please contact instructor in case of an absence. In the case of accumulated unexcused absences, students can be withdrawn from the class by the instructor.
